EXERCISE

Drivers

Identify and write down the <u>multiple</u> drivers of <u>two</u> of the following phenomena – one from each column. Assign each driver a strategic depth and importance.

Collapse of the Soviet Union (1990)	U.S. "Affordable Care Act" (2009)
Cultural Revolution in China (1970s)	Low gasoline prices (recent years)
Iraq War (2003)	Push for E.R.A. (1970s)
al Qaeda attacks on the U.S. (2001)	Decline of union movement
Tensions within the EU (current)	Rising costs of higher education

DRIVERS of issue 1 *(from left column)* Importance

DRIVERS of issue 2 *(from right column)*	Importance
